

# TOUCH SCREEN CONTROL PANEL WITH SHARELINK

Display Controls on left (yellow box). Sources on top (blue box). Audio Controls on the right (purple).

- Press the Display **On** button. *Wait* for the display to turn on.
- Press the source button you wish to use.
  - **PC**: PC is below the keyboard tray
  - **Laptop**: HDMI or VGA cord in the cable cubby
  - **Doc Cam**: Typically on the top of the podium. Controls will appear on the touchpanel OR you can use the controls on the top of the doc cam
  - **ShareLink**: Wireless display gateway: Connect your notebook or mobile device wirelessly
- When finished, press the Projector **Power** button and log out of the PC if you used it.

## LAPTOP CONNECTIONS

Laptop connections are in the cable cubby (Metal box in the podium)  
If the cable cubby lid is closed, it looks like a metal plate - lift to open it.
