

# How to Use Doc Cam or Second Camera

1. To share additional cameras that may be attached to the PC, such as a doc camera or second web camera, please follow the below steps.
2. Examine the toolbar on the bottom of zoom and select the green "Share Screen" icon.

3. Click on the Advanced tab.
4. Click on "content from second camera" then "Share" to begin.

5. To alternate between the shared cameras, look at the top left hand corner. If there is a "Switch camera" button, this can be selected to toggle between cameras.

6. Have a great day!
